Notes:

1) For FY16-17 Contracts are based on 188 work days, 7.5 hours per day.
New hires will be paid at the Substitute rate for the day for new employee orientation.
2) Five months or more of verified experience will be counted as one year experience.
3) After initial placement, all college credit hours must be work-related for an approved planned program toward an advanced degree; for an additional endorsement, training program. or for a specified approved district
4) Four years of verified Instructional Assistant experience in the Zuni Public School District equals one year of certified teaching experience.
5) Employees on this schedule do not qualify for the district approved 520 license stipend.
6) This schedule does NOT reflect future raises, it is used to determine the FY16-17 salary.
