

Let's Make Up for Lost Time!

No Cost, At-Home School Readiness

(June–August, for children entering kindergarten Fall 2020)

Waterford UPSTART is an in-home kindergarten readiness program that gives your child a fun start in reading, math, and science (with a focus on reading) in just 25 minutes a day, 5 days a week.

No Computer or Internet?

If you don't have them, Waterford UPSTART will provide a computer and Internet at no cost while you're in the program.

Personalized

Waterford UPSTART uses the award-winning software Waterford Early Learning. It provides hundreds of hours of instruction with an individualized learning path, which builds upon your child's strengths, knowledge, and skills.

Independent and Fun

Waterford UPSTART is easy to use, so your child can work independently. And the engaging books, songs, and activities capture your child's interest and imagination.

Full-Service Support

Waterford UPSTART supports families every step of the way! All families are paired with a family coach who provides personalized updates, guidance, and encouragement.

Waterford UPSTART over the Summer is the Path to Success in the Fall!
